

NCHBA Hurricane Helene Relief and Recovery Grants

The North Carolina Home Builders Educational and Charitable Foundation has raised funds for the purpose of helping our members recovering from the impact of Hurricane Helene.

Grants will be given in amounts between \$1,000 - \$5,000. A committee comprised of NCHBA members appointed by the NCHBA President will review all applications for approval.

To qualify to receive funding:

- 1) Must be an active member of a local home builders association in North Carolina impacted by Hurricane Helene.
- 2) Funds can only be given for damages or losses that were caused by Hurricane Helene.
- 3) Funds can only be given to pay for damages or losses that are not being reimbursed by insurance or government programs.
- 4) Documentation may be required as part of the funding request.
- 5) Funding may be paid directly to the company that repairs the damage or to the company where the tools or supplies are purchased.
